

# Nafasi Art Space

Nafasi Art Space is Tanzania's leading centre for contemporary visual and performing arts. It is a vibrant community of artists, musicians, dancers, performers and technicians, based in the industrial area of Mikocheni B, Dar es Salaam.

Nafasi Art Space hosts over 50 artists, 37 studios, and several exhibition spaces. We offer regular programmes including training and workshops, art talks, and public events, such as film screenings, exhibitions, concerts, festivals, and public art fairs. On average, Nafasi attracts more than 1000 visitors every month.

Nafasi's platform has generated an organic ecosystem where the arts community can thrive, enabling artistic and cultural entrepreneurship for many young Tanzanians.

# Friends of Nafasi

Nafasi is a non-profit organisation that depends on grants and donations to survive. Many generous individuals and companies have supported Nafasi since its inception in 2008.

Our Friends of Nafasi giving programme allows us to thank our supporters and build on our partnerships. Your support will enable Nafasi to continue to develop its exciting programme of events and opportunities for Tanzanian artists and audiences in 2018. Our Friends are truly investing in the cultural future and vitality of Tanzania.

Each supporter of Nafasi Art Space is highly appreciated and valued, and each level of support will be thanked with a series of benefits. The more generous your donation, the greater the benefits.
